28.2 Any effort by a Bidder to influence IOM in its decisions on bid evaluation, bid comparison, or contract award may result in the rejection of the Bidder's bid.

29. Post-qualification

29.1 In the absence of pre-qualification, IOM will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB Clause 14.

29.2 The determination will take into account the Bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB Clause 14, as well as such other information as IOM deems necessary and appropriate.

29.3 Prior to award, IOM shall verify and validate any documents/information submitted and if necessary shall conduct ocular inspection of the Bidder office, plant/warehouse

and equipment .

29.4 An affirmative determination will be a pre-requisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's bid, in which event IOM will proceed to the next lowest evaluated bid to make a similar determination of that Bidder's capabilities to perform satisfactorily.

**30. Purchaser's
Right to
Accept any Bid
and to Reject
any or All Bids**

30.1 IOM reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for IOM's action.

F. Award of Contract

**31. Award
Criteria**

31.1 IOM will award the contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.

Right to Vary
Quantities at
Time of Award**

32.1 IOM reserves the right at the time of contract award to increase or decrease, by the percentage indicated [*+/- 15%*], the quantity of goods and services originally specified in the Schedule of Requirements without any change in unit price or other terms and conditions.

**33. Notification of
Award**

33.1 Prior to the expiration of the period of bid validity, IOM will notify the successful Bidder in writing, that its bid has been accepted.

33.2 The notification of award will constitute the formation of the Contract.

33.3 Upon the successful Bidder's furnishing of the performance security pursuant to ITB Clause 35, IOM will promptly notify each unsuccessful Bidder and will discharge its bid security, pursuant to ITB Clause 17.

**34. Performance
Security**

34.1 Within Fourteen (14) days of the receipt of notification of award from IOM, the successful Bidder shall furnish a performance security equivalent to *10% of the Contract Price* in accordance with the Conditions of Contract, in the form provided in the bidding documents, or in another form acceptable to IOM. grounds for the annulment of the award and forfeiture of the bid security, in which event IOM may make the award to the next lowest evaluated Bidder or call for new bids.

35. Signing of Contract

35.1 At the same time as IOM notifies the successful Bidder that its bid has been accepted, IOM will send the Bidder the Contract provided in the bidding documents, incorporating all agreements between the parties.
