26 May 2016

The International Organization for Migration (IOM) is an intergovernmental humanitarian organization established in 1951 and is committed to the principle that humane and orderly migration benefits both migrants and society.

In the framework of the USAID-funded PREPARE program and related reconstruction efforts in Yap State in the Federated States of Micronesia (FSM) after Typhoon Maysak, IOM now invites Expression of Interest (EOI) from Contractors/Service Providers to undertake certain construction works at Outer Islands High School on Ulithi Atoll in Yap State, FSM.

The Outer Islands High School on the Ulithi Atoll in Yap State of FSM was substantially damaged by Typhoon Maysak in 2015 and on behalf of the Government of FSM and funded by the US government, IOM as implementing partner is seeking Expressions of Interest from qualified construction companies to carry out repair works to several buildings damaged by the typhoon.

The Expression of Interest must include brief (2 page max) summary of previous experiences and capabilities, as well considerations on the following:

- All firms must be licensed to work in the Federated States of Micronesia
- Some labour may be available on the island however all foreign workers would be required to obtain US transit visas and obtain suitable FSM work permits prior to work start.
- Interested parties would be required to provide full camp facilities for work force including the provision of own supplies, water and the disposal of all waste/sanitary materials
- Possible use of an alternative type of construction, a pre-engineered building that is manufactured and delivered as a kit.

The Expression of Interest shall be submitted by e-mail to ***eborda@iom.int*** no later than 19 June 2016.

On the basis of the above information, IOM shall draw up the shortlist of Contractors/Service Providers. Only short listed Contractors/Service Providers will be invited to submit technical and financial proposals.

IOM reserves the right to accept or reject any Expression of Interest, and to annul the selection process and reject all Expressions at any time, without thereby incurring any liability to the affected Contractors/Service Providers.

Very truly yours,
 IOM Micronesia MISSION
