

Empowering women and Children to
sustain health & development

About Wezesha

- African diaspora-led development organisation based in Ireland
- Established in 2010 (Egide Dhala & Salome Mbugua are co-founders).
- Empowerment of women & children affected by war, conflict and poverty

Key Objectives:

- Eradication of Gender-based Violence
- Alleviation of poverty
- Migration and Development

Country-programme:

- DR Congo
- Kenya

Guiding Principles

- Africans empowering their brothers and sisters in Africa
- Africans as advocates for peace, security, equality & prosperity in Africa
- The African Diaspora being the most effective link for development work between those within and outside of the African Continent.
- The African Diaspora being equal partners with Northern and Western
- Benefactors committed to the advancement of Africa.
