IFB No.: UA1-2016-580

Supply and delivery of IT equipment for the benefit of State Border Guard Service of Ukraine.

Bid Bulletin No.2

Date: December, 8th, 2016

The bulletin is issued to clarify issues that arose while considering the bidding documents.

Questions from bidders with IOM response:

1. *Question:* Please advise if it shall be considered as a breach of Bidding documents requirements to submit MANUFACTURER’S AUTHORIZATION FORM issued according to the manufacture’s sample but not according to Form 3 of the Bidding documents since every manufacturer has an own MANUFACTURER’S AUTHORIZATION FORM?

IOM Response: If a Manufacturer has his own MANUFACTURER’S AUTHORIZATION FORM, it is acceptable to submit MANUFACTURER’S AUTHORIZATION FORM issued according to that form and this will not be construed as a breach of Bidding documents requirements.

2. *Question.* Instruction to Bidders, Section III Technical Specifications, there is a requirement: “Cat./Page_____” Please specify on this requirement and advise how to fill it in?

IOM Response: Bidding documents, Instruction to Bidders, Section III Technical Specifications, “Cat./Page_____” is requested for indicating of Manufacturer’s catalogue (list, register, etc.) page. If a catalogue (register) is not available, please indicate part number of the goods.

3. *Question:* Please advise if it is acceptable to submit bank guarantee in Ukrainian hryvnya?

IOM Response: Yes, it is acceptable to submit bank guarantee in Ukraine hryvnya and this will not be construed as a breach of Bidding documents requirements.
